3. As a result of discussions on 21 and 22 July the undersigned called EK on the evening of 22 July 1958 and instructed him to accelerate production of 79 rolls of B film mentioned in par. 2 of [] 665 (IE 43331). 25X1A All of this film will be completed and ready for delivery from EK approximately 11 August. At completion of this order [] was instructed to manufacture 100 rolls of 0-1-1800 film for A-2 configuration. This material should be ready for delivery approximately 26 August.

4. From a contractual standpoint there will be no increase in unit price of B material. The Contracting Officer should be aware the CHALICE film forecast for FY 1959 did not budget for the 100 rolls of 0-1-1800 film (A-2 configuration).

5. EK will have sufficient spools and wooden boxes to handle order
